So since Tala is already engaged, why don't we just make her the 2nd, right?

Wendy did you and Jeff discuss this and decide on this yet.

I would be happy to coordinate on this but recognize has TaLa has already indicated to OSA that RAD is actively engaged in cross agency working group.

Hi Tala & Stan,

As you have probably heard, OSA was tasked to coordinate X-Agency on PFAS matters. Wendy is one of the 8 senior managers who constitute the Agency's PFAS steering committee. OSA needs to identify a primary POC for PFAS in OCSPP, Wendy's "second" on the issue. OCSPP has a high-vis, major role on PFAS, as evidenced in the Cape Fear. The OCSPP POC will be OSA's go to person in OCSPP for X-Agency coordination, and will be able to call or walk in on Wendy with anything that might be pressing, and likewise, when OCSPP needs to call a shot – the POC will have that authority behind Wendy.

You both have been involved with PFAS actions, as have a number of others in OCSPP. Who should we identify as the primary POC for Wendy?

Thanks,
Lawrence
